Eco Echoes: Richard Pain To Swim Across The Pacific For A Noble Cause – Green Diary

www.greendiary.com

People all across the globe are seen taken initiatives to add to the so-called 'Green Revolution'. This time it is Richard Pain, a filmmaker hailing from Sydney, who plans to swim inside a six-meter-long bottle made from thousands of used water bottles just to spread the message of green practices. ...

Michael Littlestone The only change obama wants is your change..... He only cares about himself. The only real change that will do anything is a change in President of the US to somebody who really cares about this country.

October 28, 2009 at 5:46pm

Lindsey Agreed! Obama is an idiot. If we want change, it's up to US, WE run this country, not him. We can all make a difference if we work together and stop sitting around waiting for someone to come along and 'fix everything.'
