Australian to swim Pacific in bid to highlight pollution [Taipei Times](#) 2009-12-21

photo: Creative Commons / jmayer1129

An Australian filmmaker plans to swim across the Pacific Ocean from Japan to the US in a giant plastic bottle, plowing through a huge floating garbage dump to highlight marine pollution. Richard Pain said he realized that swimming 9,000km from Japan to California was "completely mad," but said he hoped it inspired others to think more about the environment. "If I can do something this crazy, everybody else can do something," he said on Friday. "Whether it's..."
